

DECLARATION AND POWER OF ATTORNEY

I, S. Kumar Khanna, declare:

I am a citizen of the United States of America and a resident of the State of Indiana, the County of Hamilton, and the City of Carmel, whose mailing address is 12195 Windpointe Pass, Carmel, Indiana 46033.

I verily believe myself to be the original, first and sole inventor of the improvement in "METHOD OF CURING AN ANISOTROPIC CONDUCTIVE COMPOUND" described and claimed in the annexed specification.

I have reviewed and understand the contents of the specification, including the claims.

That this application in part discloses and claims subject matter disclosed in my earlier filed pending application, Application No. 10/205,515, filed July 25, 2002.

That, as to the subject matter of this application which is common to said earlier application, I do not know and do not believe that the same was ever known or used in the United States before my invention thereof; or patented or described in any printed publication in any country before my invention thereof or more than one year prior to said earlier application; or in public use or on sale in the United States more than one year prior to said earlier application.

That said common subject matter has not been patented or made the subject of an inventor's certificate before the date of said earlier application in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to said earlier application.

That the first filed application for patent or inventor's certificate on said invention set forth in said earlier application filed by me or my legal representatives or assignees in any country foreign to the United States is: NONE.

That, as to the subject matter of this application which is not common to said earlier application, I do not know and do not believe that the same was ever known or used in the United States before my invention thereof; or patented or described in any printed publication in any country before my invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States more than one year prior to the date of this application.

That said subject matter of this application which is not common to said earlier application has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to the date of this application.

That the first filed application for patent or inventor's certificate on said invention first set forth in this application filed by me or my representatives or assigns in any country foreign to the United States is: NONE.

I acknowledge my duty to disclose information of which I am aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a) including matters as occurred between the filing date of my said earlier application and the filing date of this application.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

I hereby appoint William H. Logsdon, Registration No. 22,132; Russell D. Orkin, Registration No. 25,363; David C. Hanson, Registration No. 23,024; Frederick B.
